Summary of reasons for decision:

The image file is a highly sexualised illustration of a naked young boy. It is deemed to be objectionable under s3(2)(a) of the Films, Videos, and Publications Classification Act 1993 because it tends to promote and support the exploitation of children for sexual purposes. It creates and encourages the idea that children are legitimate subjects for adult sexual fantasy and desire and is intended for the titillation of those with a sexual interest in children. The objectionable classification interferes with the right to freedom of expression set out in the New Zealand Bill of Rights Act 1990. However, this is an outcome that is consistent with Parliament's intention that publications falling under s3(2) be banned and reflects the concern of a free and democratic society to protect its young and vulnerable members from exploitation.
